

# Updates from Rwanda

**Greetings in Jesus name.** I am excited to share highlights from the work in Rwanda. Thank you for your continued prayers and financial support for this kingdom work.

## UPCR

In July, we held our first VBS at UPCR! Partnering with short-term missionaries Danielle and Cody, along with local volunteers, I was honored to provide teaching and prayer support. We are grateful for the children and volunteers whose lives were touched and strengthened.

AIMer Cody and I also had the privilege of team-teaching the UPCR Youth Sunday School class. God's presence met with us, and each lesson ended with students taking time to connect with the Lord in prayer. We rejoice that these young people desire to learn the word of God

## DayStar

What an honor it was to celebrate with the DayStar community of students, parents and staff during Proclamation Day. We give God the glory for the growth of each student and the unity we see in the school community.

This month, I continued meeting with DayStar leaders, offering God-centered leadership principles as they prepared for summer camp, teacher training and strengthening their daily processes.

We are also excited that CSi is partnering with DayStar to build a library! Books are being purchased, and the physical space is being remodeled. Donations are welcome at <https://compassion.breezechms.com/give/online>.

## Bible Studies

I'm currently teaching Bible Studies with three families. Following the example of Acts 19, Caritas and Egidia recently requested to be baptized in Jesus' name. We rejoice in what God is doing in the lives of these families.

## Additional Connections

**Ayah E** - AlMer Cody and I hiked Mt. Kigali with Ayah and her aunt. As Ayah and I talked about the Lord along the way, our guide Benjamin grew curious, amazed by both our diverse group and the focus of our conversation.

**Ayah M**– This month I reconnected with Ayah who opened up about personal concerns and welcomed prayer and encouragement.

**Emmanuel** - One of my taxi drivers, invited me to his home to meet his family. We ate and prayed together. They later came to worship at UPCR.

**Future Leaders** – I was blessed to reconnect with several scholars preparing to attend universities in the U.S. I hosted a meal, prayed with them, and offered encouragement as they step into this next chapter of life.
