

# PARIS WILL HEAR THE GOOD NEWS!

## Bonjour!

Time has passed so quickly. It's hard to believe that it has already been one month since we first arrived in Paris. We are overwhelmed with gratitude being here, knowing God has been preparing our family for this moment for many years now. The Lord has already begun opening doors and provided in ways we never imagined possible. When we first arrived we knew we would need to find a long term place to live, find and enroll our children into a French school, and help Charlie and Teddy adapt to a completely new way of life. Even in moments of stress, while trying to accomplish these tasks, we have felt peace. We know we are exactly where God wants us to be!

We are thrilled to be coming alongside Paris Centre Church to assist with music, preaching, teaching, outreach, city groups, and campus support as the church expands into more arrondissements throughout the city!

We are excited to be joining a team of passionate missionaries at Paris Centre Church. The church and the team have welcomed us with open arms! We each have **2 million** reasons to answer the call of God to labor in this amazing city. Together, we will share the Good News of Jesus until all of Paris has heard it!

God truly worked a miracle in our lives and provided us with an apartment exactly one month after our arrival. Not only is it in a safe neighborhood, but it is within a ten-minute walk of a special French public school program for non-French-speaking students. We are awaiting confirmation on whether there is room for our children to attend this school. Please help us pray that there will be space for both Charlie & Teddy! There are many amazing details and layers to our story already, even after only one month. If you are interested in knowing more, please follow our social media accounts! We will be posting a video testimonial and sharing pieces of our life here on the field.

With tears of gratitude, we write this newsletter knowing we are not walking this journey alone. The saints of Paris Centre Church have shown us such love and welcome. The **Lord** goes before us, and **YOU** walk beside us. Every prayer, word of encouragement, and sacrificial gift strengthens us. Knowing we have an army of prayer warriors behind us means more than words can express. We couldn't do this without you. Our family is deeply thankful.
