IN

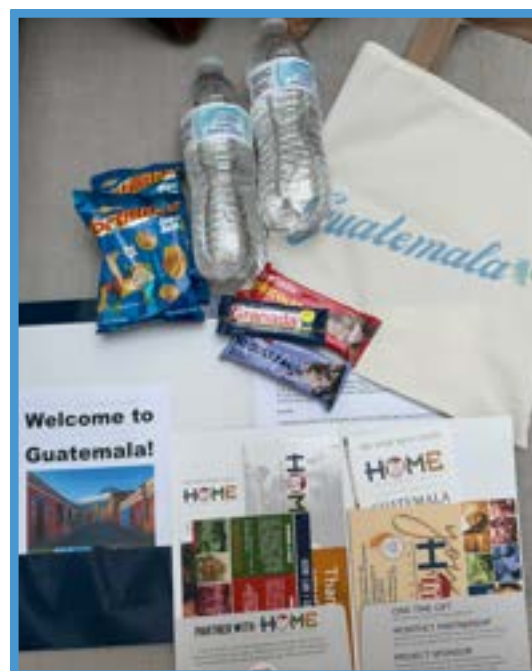

Guatemala

Group Prep, Spanish Class, GATS and More!

If you're looking for a job that has very little to no variation in the job description, the mission field isn't it! However, that's exactly why we love this job. Each month, we look forward to new jobs, projects, and adventures to experience.

This month, we had the pleasure of working with the team to prepare for the many groups. Some of our other points of focus include preparing GATS materials, working at the bible school and orphanage, and continuing in our study of the Spanish language.

CENTERPOINT GROUP HEADING TO HUEHUETENANGO.

Group

We were so thankful for Centerpoint church from Tennessee for coming to Guatemala. This group came to work in the bible school of Huehuetenango, high in the mountains in the Northwest region of Guatemala.

The week they were here, we added tile to the stairs and kitchen, painted classrooms, fixed the electricity and plumbing, and added lights to the new sanctuary. We were so blessed to have their help in this project, which prepared the new section of the building to be dedicated. We would not have been able to complete it without them.

Thank you for your love and passion for Guatemala!

Great Impact

We truly will never know how great the impact is on the kingdom of God from the sacrifice of our time and effort. In the services with groups, we have seen people filled and refilled with the Holy Ghost, as well as baptized in Jesus' name. In the last two weeks, we saw two people stand from their wheelchairs and receive a healing from God.

Guatemala is greatly blessed because of the groups. And in Jesus' name, we believe the groups will be blessed as well.
