

AUGUST, A MONTH OF

# FIRSTS & FOCUS

---

Micah & Renee Benson  
August Newsletter

August flew by for us, as it no doubt did for those reading this newsletter.

The summer is coming to a close and students are heading back into school for new classes and experiences. In like fashion, we have experienced enhanced focus and new adventures this month. We have increased our French lessons to 4 days a week instead of 2. Our supervising missionaries have emphasized language learning as our focus for this year and we are doing our best to follow their wise guidance.

Micah preached a few times this month and accomplished two “firsts” in one day! He preached his first wedding and preached it entirely in French! His focus was “Building Your Family on Jesus”. It was Renee’s first African wedding and seeing Micah do so well was such a blessing to her. Micah also taught a lesson at the Bible School on the prophets. Renee was able to assist Sis Danan Benson in welcoming the Gray family to Benin. Renee made cards, signs, and cookies to help greet them upon arrival. She also taught at the Bible school for the first time. The lesson was “7 Holiness Principles”.
