Welcome to the July Newsletter!

Yassas (γεια σας),

The saying goes ***time flies when you are having fun***. I have officially come to the end of my final month in Athens, Greece with the lovely Moreno family. With the direction of the Moreno's encouragement I put my hands to work wherever there was a need to be filled. I must admit that at times I felt I wasn't qualified enough to fulfill the task set before me but by the grace of God He guided me through every unfamiliar path. Throughout my two months here The Lord reminded me that He is not looking for perfection but instead He is looking for a willing heart. A heart that can love His people like He does and support His Kingdom to the best of our ability. Even when we are lacking God gives the increase and fills that gap on our behalf.

I have loved every bit of my time spent with The Pentecostals of Athens UPCI and I will keep every soul in my prayers. This wonderful Church has loved me with open arms and I am ever so grateful. I leave rich with a deeper burden for every tribe, nation and tongue. Truly I have been blessed to be a part of this ever growing effort to exemplify Mark 16:15 **"Go ye into all the world, and preach the gospel to every creature"**.
