

Adriana's Adventures

Month 2 of 4

Réunion Conference

What a wonderful month it has been! August was filled with conferences all over the Indian Ocean Islands. We started off with our kid's conference in Réunion. It was a wonderful weekend of teaching, preaching and most importantly God's Spirit moving in our children in Réunion! This was the first of its kind in the island, and we hope to have many more!

Mauritius Conference

On the 4th, we arrived in Mauritius for the national conference there. We had a full house each night, and many were filled with the Spirit for the first time! On the last day of the conference, we sang the name of Jesus over the island. God is doing an amazing work among the Mauritian people. We are blessed to play a small role in it!

Mada Conferences

On the 15th, we flew to Madagascar for the Bible school graduation and national conference. It was so special to be back in Mada! There were 78 graduates from the Bible School this year. During national conference, 2,457 received the Holy Ghost, and 306 were baptized in the name of Jesus!

Prayer Requests

Please be in prayer for our team as we go to the different islands. I will be spending the remainder of my AIM term in the island of Mayotte, so please pray for open doors for the Word to go forth in Mayotte! Pray for continued revival in Mada, Mauritius, Réunion, Mayotte, Seychelles, and Comoros. The Indian Ocean Island will see revival because of your faithful praying!
