Month 3 of 4

Bonjour, Mayotte!

September came and went very fast! At the end of August, we said goodbye to Madagascar and flew over to Mayotte. Regional missionaries Bro. Tina and Sis. Oni were very glad to be back on their field of labor! They have been incredible hosts, and they make sure that you feel like family. Very grateful for them and their burden!

A bit about Mayotte

Mayotte is a small island off the northwest coast of Madagascar. It is 144 square miles in size, and boasts a population of 337,000 people. It is a young nation with the average age being around 17-18 years old. The church has been here in Mayotte since 2021, and we currently have around 30 believers. God has His eye on this tiny island!

Sunday Services

Each Sunday we gather in our living room for Sunday school and main service. Each time, God shows up and draws us deeper into Him. On the 14th, two young ladies received the holy ghost! We are praising God for this victory. We continue to believe God for miracles in each service!

House to House

Almost weekly, we visit the homes of the different saints and contacts. We fellowship, eat, play games, and most importantly, pray for one another. God has helped us to foster strong connections with several people in different places throughout the island.

Prayer Requests

Pray that the Mahorais would receive a revelation of God's love and desire for them. Pray for the peace of this island. Many people have no idea that there is a God who can give peace. We currently have a place to begin building a church, but we lack the resources to begin. Please pray that God would provide for this need. Pray for the leading of God's Spirit as we talk with people in the city. We know that our steps are ordered by Him!
