14-16 August, 2025

**FAMILY FUN DAY**  
17 August, 2025

**HARVEST BIBLE COLLEGE  
SEMESTER BEGINS**  
30 August, 2025

*Hiya everyone!*

*Kelsey here. I pray that this little update finds you all well. As summer in the Highlands is coming to an end and fall is nipping at her heels, I am filled with gratitude at what the Lord has done over the past few months.*

*He has been abundant in His grace, mercy and love toward us and the Church. We have faced storms and learning curves and housing situations that are not ideal, but even so, the Lord proves Himself faithful to His Word and present in every good thing.*

*With love,  
Kelsey, Preston, and Finn*

### PRAYER REQUEST

HOUSING  
JIM  
MARGARET  
BILLY  
PETER  
HELENA  
ABBI  
CLAY  
BRUCE

*In Scotland as it is in Heaven*

## Personal Check-in

It is easy to see God in everything when you live in such a beautiful place, but even still His faithfulness to us has proven to be present in all things. We are going to have to move out of the home we have been renting due to a mold issue that the Landlord will not resolve. Moving is a big hassle, but I know that God put us in our current home for a reason- and that reason is our neighbours- Jim, Margaret, Billy, Peter and Helena. Jim has been such a big blessing to us not only by letting us use his extra car, but by being our friend. Moving to a new place can, of course, be lonely. A new country in a small village is even harder, but having so many kind neighbours has been such a blessing and a tremendous opportunity. We just recently had Jim and Margaret over for dinner and we intend to maintain a relationship with everyone whenever God opens a door for us to move to a mold-free place that is closer to the church. We would really appreciate prayers regarding this situation, because it is surprisingly challenging to find places to rent in this area, but we know that God has just the right place for us and we are believing it will be all in His perfect timing.

**"And being fully persuaded that, what He had promised, he was able to perform"**

- Romans 4:21

## July

*This would not be a newsletter from the UK if I did not talk about the weather. We have enjoyed such a long, warm summer this year and we still have more sunshine to come next week! This was especially wonderful for our annual church picnic. We had record temperatures on the day and a record turn out!*

*The church was also blessed to be able to go to a service hosted by fellow aimers in Aberdeen. They rented an event space in the middle of the city that was once a church and called the event Reclaim. Several people walked in from the street and there was a powerful move of God. There were fellowships all the way from London joining us.*

*Every Friday we have continued to have coffee mornings in the church coffee bar. This has been a great time of fellowship for the church and for anyone else that wants to stop by for a free cup of coffee or tea and I have been doing regular baking to encourage attendance.*

*Zoom prayer meetings have been such a good way to encourage weekly fellowship and to bring our needs to one another and before God.*

## August

*Our pastor's daughters and wife had the incredible opportunity of attending North American Youth Congress. They were so filled at the conference and got to spend a couple of weeks with their family in California. We were so happy to be able to take up some extra responsibilities while they were away so that they could enjoy their trip without worry.*

*In preparation for our Family Fun Day, we spent multiple days at the church deep cleaning and organising and setting up everything alongside other church members that showed up to help.*

*We had a wonderful turn out at our Family Fun Day. In total, we had 48 people attend. We had several new families come and some new children who expressed interest in coming back for Sunday School. We were greatly blessed by the ministry of Bro Justin Hamby would taught a wonderful lesson to both children and adults- "The Holy Ghost Will Take the Chicken Out of You." After the service, we had a good time of fellowship out in the sunshine with hotdogs, chips, ice cream and a lot of other various treats. It really was a wonderful day.*

*Preston and I are both teaching Pauline Epistles at Harvest Bible College this semester and we had a wonderful class to start the term at the end of August.*
