## GREETINGS FROM BARCELONA!

Happy 4th of July!

I hope everyone had a fantastic time celebrating! The missions team in Barcelona came together to honor the day at a park, where we indulged in cheeseburgers, hot dogs, and delightful American desserts.

It was a special moment to reflect on the blessings of the USA and to pray for our country, asking God to continue guiding its leadership and to bless the people of God there. Thank you for all that you do!

Psalm 16:2,11 NKJV

O my soul, you have said to the LORD, "You are my Lord, My goodness is nothing apart from You." [11] You will show me the path of life; In Your presence is fullness of joy; At Your right hand are pleasures forevermore.

## Walking with Purpose

The month of July was quite a busy month, full of blessings and wonderful experiences.

During this time we were able to assist to the team in Sant Boi under the leadership of Bro. Gerardo and his wife Carolina.

We assisted in prayer walking and evangelism and were able to connect with the locals. When we finished there was a great victory and Bro. Gerardo was even gifted over 80 chairs for the church that we are believing will open as a result of the work that has been done.

To God be all the glory!

## From the Indoors to the Outdoors!

---

During this period, the church in Barcelona hosted their “El Día del Amigo,” or “Friend’s Day.” I had the privilege of being one of the speakers for the Nou Barris region. It was a wonderful occasion, and the Lord moved in a profoundly intimate manner in the park, showering His love upon all the attendees!

We also had the last goodbye to the AIMer’s as they finished their training and prepared to return home. It is always a blessing to be surrounded by talented, spirit led individuals and families!

In July we also had a youth event in the city of Martorell where I had the opportunity to play the bass. God moved mightily and many young people were blessed by the Lord!

## PRAYER POINTS

---

- Pray for the country of Spain as revival breaks-through and growth is stabilized. May the leaders and workers on the field have the knowledge and understanding to work in accordance to God’s will!
- Pray for the young people as they grow in life may they also grow closer to the Lord!
