September 2025

TALLINN, ESTONIA

Here's what has happened in the last month and what's to come!

Welcome back to our Reaching Estonia Newsletter! It is our greatest pleasure to share with you this month's success.

We started our Estonian Language course at Tartu University. This takes place every Tuesday and Thursday. Jesse is thriving and enjoying watching Abigail learn the 5th hardest language for English speakers.

On September 20th, Abigail's parents, Tony and Molly Fishel, arrived in Estonia. We were able to show them how the ministry was going in Estonia as well as showing them the hidden gems of Europe.

We are thankful the time they spent doing prayer walks and fellowshiping with the church members to strengthen the church and sharing the Gospel.

On September 19th, we were able to be at Friday Night Youth. Abigail taught on Ananias saying yes to the call to go.

For our Tartu Midweeks, we are continuing to read the book of Acts, which has sparked great discussion over salvation and we are excited to see the progress made there.

Jesse started a Bible series on "Who is God?" on Sundays in Tartu

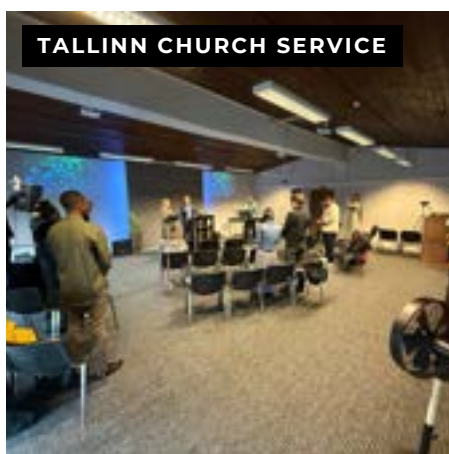

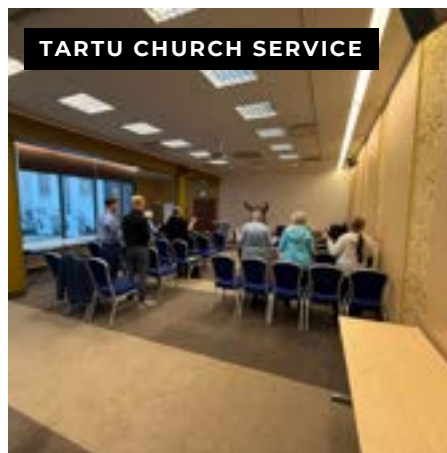

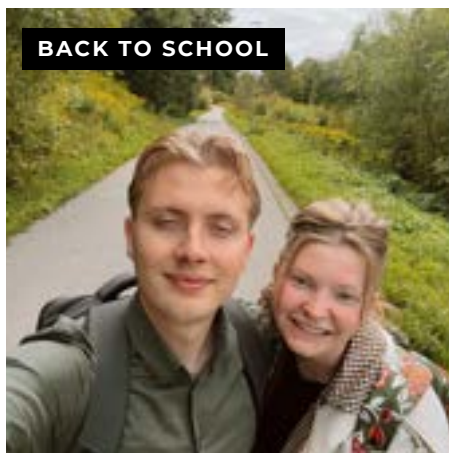

On September 21st, was our last service in the hotel conference room in Tartu due to renovations that will last until June 2026. We have decided that services will continue in our apartment (taking it back to the first century church). While this may feel like a set back, we are believing it is a blessing in disguise.

Testimony

For a while Jesse and I have been wondering if we would see a breakthrough in Tartu, in the way our heart desires to see the church grow. On September 14th, God gave us the desires of our heart. There were three ladies that came who have not been to the church since we have been in Tartu. And a younger man from our Tallinn church has moved to Tartu. We have a desire to see new souls, but we rejoice with the ones that are returning. Let us continue to rejoice and pray faithfully that God would continue to soften the hearts and expand the church!
