## Moldova

I arrived in Moldova on August 5<sup>th</sup> and met the wonderful McBride family. The following week we began our training and daily prayer walk in Chisinau.

## Sight Seeing

This picture is overlooking Trebujeni a beautiful village not far from Chisinau.

## English Club

Here in Moldova one of the ways to connect with people is through English Club. Using things like games, food, and a good cup of coffee is a great way to get conversations flowing and build lasting relationships. It is full of laughs, learning, and most importantly God moments where a door opens to share about our wonderful Saviour.
