Sunday School

I had the wonderful opportunity to teach Sunday School. In this lesson, I explained how God wants to dwell in our hearts just as He dwelled in the Tabernacle.

English Club

English Club has been so exciting! We have made some solid connections and moved locations. The new location gives us more room and more open doors to make connections with people. I taught one lesson this month about American Shopping. We discussed stores like Walmart, Buc-ee's, Dollar General and Bass Pro.

Thank you for your prayers and support!
