

Pio's in French Polynesia

August 2025

Thanking the Lord, for all that He has done for us over the past year here in Tahiti! This month has been a month of transitioning back to Canada. We handed off the work to AMP workers Pablo & Joann five days before we left and made our way back to Canada and arrived back on the 14th. We have hit the ground running and have begun deputization and hope to return in January of 2026.

Thanking all our Partners in Missions for their support and prayers. Contact us if you would like to partner with us or support us to get back this coming January. May the Lord bless you!

Welcoming the new
Ampers!

Goodbyes are hard to say. After a year we held our last service on Aug 10 and flew out early Monday morning. Our hearts were saddened to leave, but we know that the Lord will continue to bless the church and the people.
