

August 2025 Newsletter

Greetings! The last 4 weeks have been what I would like to call "graceful chaos." Beyond the weekly and monthly tasks of ministry involvement, there were several big events and outings to plan and prepare for. I have included pictures from Youth Prayer Night, the Global Student Ministries training weekend, and POA's Back to School BBQ and Service! It has been such a great time connecting with like-minded people to reach this city and the globe! This is what living Mark 16:15 out loud looks like!
