SCOTLAND FOR JESUS

Thank you for your prayers and support as we continue to serve and disciple in Scotland. We believe God has even greater things ahead!

Short Deputation

We are so thankful to share with you what God has done during our recent two-month deputation in America. Our purpose was to raise funds for our visas, and along the way we witnessed the Lord's hand working in powerful and miraculous ways.

Throughout our journey, God opened doors for us to meet wonderful people and minister in places we never imagined.

Each connection was a testimony of His faithfulness and provision. We are humbled by the generosity, love, and prayers of those we met, and we return encouraged and strengthened for the work ahead.

Back in the UK

We are excited to share how God is moving in our Spanish language service! The ministry is growing, and we have been blessed to see people coming together faithfully to learn, worship, and grow in their walk with God.

We have begun discipleship classes where believers are being strengthened in their faith. Every week, we also gather in a house group, studying God's Word, and encouraging one another. It has been a joy to watch lives transformed and relationships with the Lord deepen.
