CHILDREN'S MINISTRY

I have been serving in the Capital Church
Pastored by Pastor Emmanuel.
Each Sunday I have the opportunity to teach
the children in Sunday School.
It has been wonderful watching
the children as they come with an excitement
each week to learn more about Jesus.
I have had the opportunity to help train and
Coach other Sunday School teachers. It
has been a blessing watching the Sunday
School department grow here in Guinea!

SERVICE INVOLVEMENT

I am learning that missions is all about flexibility.
This month I was asked to sing a worship song in
church, something out of my comfort zone, yet
I am grateful for the opportunities I have been
given to try new things and to grow. You never
know what you might be asked to do,
but opportunities to grow are all around.

It has been an honor to work alongside
some amazing people here. It is so
beautiful watching people hear
the word of the Lord and having it
impact their lives. Being able to
watch the Lord do a work in
the life's of the people in
Guinea has truly been an honor.

FRENCH

Bonjour

À bientôt

ça va

Three times a week, the other lovely AlMer Emily
and I meet with Pastor Emmanuel for French
class. Everyday I am learning a little more
and am able to converse with others. We are so
thankful for Pastor Emmanuel's dedication
in teaching us.

Bon Dimanche

I am so incredibly thankful for my opportunity to serve in Guinea. With two months down and one
remaining, I cannot wait to see what the Lord is going to do. Everyday is an opportunity
to be about Kingdom work.
