

Updates from Rwanda

Greetings in Jesus name. Thank you for your faithful partnership with Rwanda; God is working through your prayers and financial support.

UPCR

We rejoice that several were baptized in Jesus' name. Four of them are faithfully attending a weekly Home Bible Study.

I also had the honor of teaching during UPCR's Adult Sunday School on the theme of Holy Hearts

DayStar

We celebrated DayStar's recognition for Primary 6's notable performance among the nation's top scholars and schools

AMPer Danielle Brooks and I partnered with DayStar to provide summer Teacher Training. Over four weeks, teachers and trainers embraced new challenges and grew.

We are still accepting donations to purchase library books.

Donations are welcome at:

Bible Studies

We launched a new Bible Study with a frequent taxi driver, Emmanuel, and his family. In addition, a young lady, who has traditionally not believed in Jesus, joined an established Bible Study. Please pray that God continues to open her heart to His truth.

Bible Study participants are growing as a disciple of Jesus. They are eager to learn, apply scripture, and practice prayer in their daily lives. They now have new testimonies of God's provision, healing, and deliverance.

Additional Connections

Partnering with a leadership organization, I facilitated a 4-week leadership course with 73 future leaders. These sessions led to mentorship, Bible lessons, and prayer. God has captured the hearts of these young people, and they are hungry to know and serve Jesus.

Several of the Rwanda scholars I mentored since last year have now moved on to universities worldwide, including some in the U.S. I'm thankful to report that two are now connected with UPCI Hyphen leaders in Illinois through a Friendship Family program.

Many scholars are still in need of Friendship Families. If you or someone you know would like to be a blessing in this way, please let me know.

Prayer Request

Please continue to partner with me in prayer for:

- Revelation of the Gospel and deep, personal relationships with Jesus Christ.
- Accelerated spiritual growth and multiplication across the nation.
- Wisdom, knowledge & understanding in the fear of the Lord for the government leaders
- Rwanda Scholars, attending universities abroad, that they will keep God as their priority and walk in truth.
