

MOLDOVA

Arrival

I simply cannot believe that it has already been a month in Chisinau, Moldova! This month has been full of excitement, hard work, and coffee. Upon meeting the McIrides, I knew this would be a lovely AIM experience, and I am so grateful for these wonderful pioneer missionaries.

Outreach

Our first full week consisted of daily training and seven days of prayer walking around the city center. While the prayer walks were two miles long, we proclaimed the glory of God every step of the way. One of the main ways of connecting with people here is through English club. This month I have been working with their social media, and I have made eight graphics and two reels promoting the English club. I also had the opportunity to teach one of the lessons.

Duties

I have also been helping with music by planning the worship schedule for August and September, researching new songs, preparing lyric sheets, and playing the piano on Sunday mornings. Along with these responsibilities, I have also been part of the babysitting rotation.

Glimpses of Culture

One Saturday we visited Orhei, where we explored several Orthodox churches, including one built inside a cave. Experiences like these give a meaningful glimpse into the culture. Later that day we traveled to another village to reconnect with a family the McBrides had previously met.

Building Relationships

The work in Moldova is unlike anything I have experienced before. Since there is not yet an established church, we are focused on building connections and relationships with the locals, preparing for the future for when there is a church building. I am excited to see how the Lord continues to open doors in the weeks ahead, and I am deeply grateful for your prayers and support as this work moves forward.
