

AIM TO BRAZIL

AUGUST 2025

MOOCA IPUB

Praise the Lord! If you are reading this I would like to say thank you for the support in this endeavor! It is hard to believe that half of my time in Sao Paulo is already over. These first four weeks have been full of amazing experiences. The work here in the suburb of Mooca is thriving under the leadership of Missionary Anderson and local pastor Ronilson.

Above is a photo of the church from my first Sunday. During this service we were blessed to see 4 young people and kids receive the gift of God's Spirit. We were blessed with the ministry of a guest speaker as well as a bible study by Brazilian missionaries to Cape Verde. On the right is my friend Eduardo and I who I've been blessed to become good friends with during my time here.

During my time in Mooca I have been able to offer help by setting up sound for events such as their Bible school graduation, as well as helping with their Father's day service.

AMAZONIAN RIVER DISTRICT CONFERENCE 2025

One of my favorite parts of the last few weeks has been the trip out to the Amazon that I took with Missionary Anderson. We traveled out from São Paulo, to Rio Branco where we then took a bush plane out to the small city of Pauini. Despite getting sick during my last few days there this was an amazing experience to have. We had 4 services during our time there along with district elections.

We started right after we landed with an outreach event for a special service. Outreach in Pauini is a far cry from anywhere else. To let people know about the event we had a parade of about 10 cars, 20 motorcycles and a truck full of a band playing worship music that drove through the entire city with flags and signs.

On the right you will see part of the parade and then a picture of the first service. Throughout the week this building would continue to fill up until the last service where probably 100 people were standing.

AMAZONIAN RIVER DISTRICT CONFERENCE 2025

I was thankful to be given the opportunity to speak to the young people of this event. The youth in the river district were amazing to be able to spend time with, and I am thankful for the time I was given. We had a powerful altar call where God reminded us of the love he has for us and that he is with us in every situation that we go through in life.

This continued on into the night services as the youth's hunger for God is powerful just like the adults. As we finished the rest of the conference each service the power and liberty of God grew in a powerful way and we had an amazing time worshipping. It was a Successful conference and great things are happening in the river district of the Amazon.

I was thankful to be able to spend a lot of time with amazing men and women of God during this weekend. every single person was so welcoming and a blessing to be around. Above you'll see a picture of us traveling into Pauini with the national secretary of the IPUB of Brazil. As a whole this first month has been a great time and I am looking forward to seeing what God does in the coming weeks. Thank you for all your prayers and support!
