GSM-MEDITERRANEAN

AUGUST

IPC

The Lord continues to increase the International Pentecostal Church. I had the opportunity to help with their Vacation Bible School, which was such a joy, and I continue to preach and translate whenever called upon. My next goal is to begin preaching in Spanish, which is something I'm both praying toward and actively working on.

LIFE GROUPS

Monday night life groups continue to be such a blessing. Each week we see different people attending, and it's a joy to watch God working in their lives. Please keep these precious souls in your prayers as many are in deep need of the Lord. We're currently going through *Exploring God's Word* together in Spanish

MALTA

The Lord opened the door for me to travel to Malta and connect with students who are eager to see GSM launched in their nation! The university was so welcoming and even allowed us to use one of their rooms for Bible study. Thank you JESUS!

I am so excited for what GOD is doing! The harvest is truly ripe, but the need for laborers is great. Please pray that GOD would continue drawing hungry souls and would send laborers to this very ripe harvest field!

ITALY

Italy has truly embraced the vision of GSM! The students there continue to hold planning meetings and prayer walks, and they are eager to begin evangelism as the new semester approaches.

It was a blessing to have Faith with us at the Greece training session, the Lord ministered to her in such a beautiful way!

GREECE

What a blessing it was to have Bro. McGurk with us in Greece! The Lord moved powerfully through his ministry, and the young people were both encouraged and equipped—challenged to go deeper in their relationship with God and inspired to reach others along the way.

SPAIN

Here in Spain, August is almost like a ghost town as it is vacation month. However, the Lord never takes a vacation, and the churches here continue to experience growth and increase! Please pray as I prepare for the national ladies conference. God has opened an exciting door for me to meet with someone in Madrid, that could lead to even greater doors for GSM!

DOWNTIME

Life has been busy, but I'm so grateful for the moments spent with the IPC young adults, like going hiking together, and for the chance to visit Tibidabo with my supervising missionaries and friends. These times of connection mean so much. Please continue to pray for the open doors God is providing and for the incredible work He is doing throughout the Mediterranean!

Thank you for your continued giving, prayers and support!
