

A POSTCARD FROM JAPAN!

感謝してます (Kan-sha-shi-masu),

Praise the Lord from Japan!

September was full of unique opportunities to connect with the harvest. Last month, we shared about having contacts from all across the Kyushu region and this month we had the opportunity to visit some of them once again. This particular group was from a community of Japanese-Mexican families. Together, with 12 other families we celebrated Mexican Independence Day. Who knew we'd get to break a piñata and eat traditional pozole in Japan! God has such a cool way of writing our stories. Connecting with this community, as well as hosting our weekly game nights has been such a highlight of our time here. Seeds are being planted, watered and we are trusting in God for the increase! Fukuoka Hope Church is also seeing great spiritual growth. We are blessed to serve under and alongside such a great team. We enjoyed spending time in worship and fellowship with the saints from Hiroshima. They live over four hours away, but are faithful online and travel to be with us for in-person services once a month. Help us pray for continued strength for this sweet family. God is using them greatly as well to reach their city. We have continued to work in the music and digital evangelism ministry of the local church and hope this can also help have reach beyond our city. We know God is at work in the lives of such great people. We count it an honour to serve God in this nation. His people and those that have yet know Him. Please continue to pray for us as we build friendships and share Jesus with those around us. Help us pray that our contacts would have a sincere hunger for truth and that we may receive wisdom and boldness as we make efforts to share the Gospel.

ends of the earth."

Prayer Requests:

- **Pray for the island of Kyushu**, and the many cities and villages without an apostolic presence. Many of our contacts live in these cities. Some travel up to two hours to visit us in Fukuoka. Other times, we rent a car to visit them. Help us pray that these connections will lead to a Holy Ghost outpouring in these unreached cities.
- **Pray for unity in the body** as we work together to see this nation reached with the Gospel.
- **Pray for our 2026 Fundraising Campaign.** See last page for more info.

Thank you faithful partners & friends for your prayers and unwavering support. We hope this Postcard from Japan has been a blessing you. We look forward to sharing how God continues to open doors in the month of October. We pray for the harvest in your area as well, as we labour together to reach the ends of the Earth with His Gospel.

こんにちは (Konnichiwa)!

We are James and Janett Chase, Associate Missionaries currently serving in Fukuoka, Japan. Over the past 13 months, God has opened doors for us to build relationships, disciple others, support the church through digital evangelism and share the gospel in a culture where less than 1% of people are Christian.

We're excited to share that we've recently received approval for a visa extension, allowing us to continue serving in Japan for another year!

When we first arrived, our initial funding covered housing for only the first year. Now, as we prepare to extend our ministry in this nation, we're stepping out in faith to raise the additional support needed to remain on the field.

We are currently raising **\$15,000** to cover two key needs:

- **\$10,000 for one year of housing**
- **\$5,000 for a used vehicle to support ministry travel and daily life**

We invite you to prayerfully consider joining us in this next season by supporting our fundraising campaign:
Continuing the Mission: Japan 2026

Monthly Partners

In addition to raising funds for housing and transportation projects, we're also praying for 15 additional monthly Partners in Missions (PIMs) who would commit to giving \$50 per month. These ongoing gifts help cover everyday ministry expenses like meals and outreach resources. Monthly support allows us to stay focused on the work God has called us to here in Japan. If you feel led, we would be honoured to have you join our monthly support team.

How You Can Help:

1. Give a one-time donation toward the \$15,000 goal.
