

## Testimony

Lito, an elderly gentleman, recently suffered a heart attack. We prayed for him in Jesus' name and laid hands on him, and we're seeing God's healing power at work!

He is scheduled to be discharged from the neurology ward on October 2nd and will move to a recovery clinic for continued care and physiotherapy. Please keep him in your prayers for full restoration and salvation!

## Did You Know...

In French Polynesia drinks with added sugar are more expensive than sugar-free!

## The Work

### Bible Studies Have Started!

We've begun several Bible studies, and hearts are already being touched:

- With two Filipinas
- With a real estate agent and her son
- With an elderly Chinese lady
- On the university campus

### A New Place to Meet

God has miraculously provided us with a meeting space for Sundays right in downtown Papeete — French Polynesia's capital — and the best part? It's completely free of charge! This is a huge answer to prayer and a strategic location for reaching people. Praise the Lord!

### Believing God for Breakthroughs!

We are looking forward to what God will do in October! We are believing for people to be filled with the Holy Ghost and baptized in Jesus' name. Would you pray in Jesus' name and believe God with us?
