REPORT FROM THE FIELD

GREETINGS IN THE WONDERFUL NAME OF JESUS!

During the month of September, we had the privilege of having two church services in Nantes. God manifested His presence in each service! We also started having Sunday School. Our eldest daughter Sofia taught her first Sunday School lesson. We had three visitors this month. We believe they have a hunger for God and will come back to church.

We also had the privilege of ministering in the city of Saint Louis (which is near Mulhouse) near the Swiss border. We had church at the house of a Sister named Tina. It was truly a blessed day in the presence of the Lord and in the fellowship of His people!

We thank God for the hungry souls that are in the region of Pays de La Loire and beyond. We know God is doing a great work in their hearts. Please continue praying for Alex (who was baptized in June), for his complete healing and salvation. We are also asking you to continue to pray for our contacts, that God would continue to do a great work in their lives.

Once again we thank you for your prayers and financial support!

May God bless you richly!
