

ALICIA AND BAPTISTE IN PARIS

AIM Newsletter

This month we held our very first Prayer Meeting and Bible Study services at our new campus in the 17th arrondissement of Paris!

We launched PCC17 with an evening of prayer! There was 30 in attendance, and together we sought the Lord for direction, for His blessing, protection and breakthrough in this community. His presence moved mightily, and we are so excited to see what lays ahead for this new campus!

As the new pastors of the PCC17 campus, our heart is to serve with excellence while staying focused on what matters most - prayer, God's Word, and people. Stepping into this new work and these new roles has stretched us, challenged us to grow, and pushed us to dig deeper in God. We're thankful for the encouragement, support and help of our lead pastors in this journey!

We are also continuing to teach home Bible Studies, preach and teach at our main PCC Campus, and lead CityGroups!

The 2nd semester of Purpose Institute is off to a great start! We have 14 students who are eager to learn and grow in God. Alicia is loving the opportunity to teach Ministry of the Apostles!

Together, we're committed to the vision of training and equipping leaders to do Kingdom work and walk boldly in their calling.
