Howdy everyone!

Greetings from the bonnie land of Scotland. The leaves are starting to turn and the barely fields are gold with harvest as autumn takes hold here in the Highlands.

September has been an incredible month of provision for the Gann Clan and a great month here at Calvary Church. As always we thank you for your unwavering support, prayer, and love you have for us as we pursue God's calling to bring hope to the Highlands.

With love,

Kelsey, Preston, and Finn

Personal Check-in

We've got some exciting news — after a lot of searching (and praying!), we finally found a new house! We're so thankful. The best part? It's only about five minutes from the church instead of a thirty-minute drive. It already feels like such a blessing to be closer to everything and to have a place that really feels like home.

This month was extra special because Kelsey's brother Kelly, his wife Maggie, and their kids Jackson and Emery came to visit us all the way from Texas! We had the best time catching up, exploring a few castles, and just enjoying being together again. Having family here, even for a short time, made Scotland feel a little more like home.

We were also gifted a voucher for High Tea at Johnston's of Elgin, so we snuck away for a little date. The food was amazing, and it was just nice to slow down for a bit and spend some time together.

It's been a busy but really good season — full of change, family, and a lot of reminders that God always provides right on time.

"And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work"

-2 Corinthians 9:8

September

September was a full and wonderful month of ministry here in Elgin, filled with opportunities to serve, connect, and celebrate God's goodness!

Early in the month, Preston had the privilege of preaching "The Economy of Redemption" a message focused on God's incredible reach toward humanity and the ultimate price He paid to redeem us. The following week, Kelsey shared "The Tale of a Meddling Mother-in-Law," drawing from the story of Ruth and Naomi to highlight God's faithful provision and guidance through every season.

On September 18th, we attended the GB&I National Prayer Seminar, led by Bro. Joel Urshan. It was a powerful time of prayer, encouragement, and renewed focus on what God is doing across Great Britain and Ireland.

Later in the month, we made a few ministry visits—traveling to Inverurie to help a young family from church move into their new home, and then to Aberdeen to visit and encourage Liberty, a long-time apostolic believer. It was especially exciting to see what God is beginning to do in Aberdeen through fellow AIMers, Brent and Melissa Cletheroe, who are pioneering a new work there.

We were also blessed to welcome our Supervising Missionary, Bishop Robert Kelley, from Glasgow on September 21st. He preached "Follow Jesus," a stirring message about pursuing the work of the Kingdom—perfectly complementing our September preaching series at Calvary.

Toward the end of the month, on September 26th, Calvary Church hosted a Macmillan Coffee Morning, raising support for cancer patients across the UK. It was such a joy to open our doors to the community for a great cause. The next day, Kelsey taught a Pauline Epistles class for Harvest Bible College, and we wrapped up the month celebrating six birthdays in our church family—proof that God's family is both growing and full of life!

We're so thankful for every opportunity to serve and for your prayers and support that make this ministry possible. God is moving in Moray, The Highlands, and beyond—and we're honoured to be part of it!
