

WELCOME TO MY

Monthly Newsletter

Konnichiwa to my friends and family near and far! I've had a hard time trying to fit everything that happened this first month into a newsletter, but with God's help here it is! First I want to thank the Lord for opening this door of opportunity unto me, then I thank missionaries Edward and Naomi Hosmer for orchestrating all of this on my behalf. Thirdly, I thank all who gave in prayer and funds.

The Pantons (missionaries and school leaders) and Sis. Sierra (AIMer) have been the best mentors. They have so much wisdom and patience and have become positive influences to the students. God has poured into their lives which has also been poured into me.

Time has flown, especially while having fun with the precious (and mischievous) children of Tree of Life school. I'm proud to be a part of the blessing in giving these children a godly education. They have taught me so much this last month and I am blessed to know them.

MIYAKO ISLAND

A few days after I landed in Okinawa, I had the opportunity to fly to the island of Miyako and God has great things in store for them. The Lighthouse Church is ready for revival! During my short time there, my AIMer friend Donna gave a powerful message and we had good fellowship. Before the meal I was asked to give a short devotion and I thank God for always giving me words to speak. Everyone there has a unique story and walk with God. It always touches me to join such a diverse group of nationalities.
