SEPTEMBER 2025

Back In New Zealand Once Again!

I left my previous AIM term from New Zealand on Aug. 27, 2024.

Exactly one year later, I was on a plane returning to NZ.

I enjoyed my time stateside with my friends, family, church family, and traveling to other global fields, but when the door opened for me to return to NZ, it felt like a dream.

Through all of the packing, preparing, and even traveling, it felt unreal that I was getting to return. Since arriving, there have been numerous moments where I stared at friends from the church or stopped mid walk to look around and experience overwhelming gratefulness to be here once more.

One great part about returning to a place is being able to get to work much quicker. It has been such a wonderful and full month.

The Lord has provided housing a short walk from the Borders family. This is a blessing as I will not need to ride the public transportation, saving both time and money. The family I live with is originally from Brazil and does not currently attend church. Please keep them in your prayers. I'm praying my time here will have a major impact on their lives.

MK homeschooling will always be my favorite part of the assignment! Although, relearning math fractions and sentence diagraming is a bit challenging at times.

The Bible School year is coming to an end, so I've been helping upload grades to the students transcripts. We congratulate all who will be graduating in Oct. at NZ General Conference. Join us in praying for this conference.

At the church here in Tauranga, we are rejoicing over 2 receiving the gift of the Holy Ghost, 2 new visitors who have been faithful in attendance throughout the month, and reaching 40+ the past three weeks! We also had 1 baptized in Jesus Name!

At the beginning of Sept. we traveled to Hamilton for the National Ladies Conference. 200+ ladies gathered together for a powerful time of prayer, worship, and fellowship. Over 10 nationalities were represented, 10+ were filled with the Holy Ghost, and many reported being healed! To God be all the praise!

It is an honor and privilege to serve in so many areas throughout the week.

~Leading National Prayer Calls
~Teaching Sunday School
~Handing out flyers
~Singing

In Oct., we are preparing to start a new toddler class that will take place during the preaching of the Word each week. Help us pray over our little ones, that they will grow and learn much during these classes.

Celebration Sunday at ALC

We ended the month with a special Celebration Sunday! After service, we celebrated all of the birthdays that took place in the third quarter. We had lots of ice cream, toppings, and great fellowship!

That is not where the celebrating ended. We then joined together at the Bay to witness and rejoice with Josh, who was baptized in Jesus Name!

Bible Quizzing Seminar

Sis. Katherine and I attended a Saturday seminar in Auckland to receive information about starting Bible Quizzing teams. This is an exciting opportunity for children and youth to grow in their knowledge of the Word of God. NZ hopes to have one of their first extravaganzas in 2026. We ended the day by fellowshiping with friends & taking part in their home Bible Study.

THANK YOU!!!

Thank you for your prayers and support! You are making a difference in the uttermost parts of the Earth! Please continue to pray for the harvest in New Zealand! We are praying for new connections, more Bible studies, and deeper spiritual growth.
