NOTES FROM THE FIELD

SEPTEMBER 2025

WELCOME TO OUR

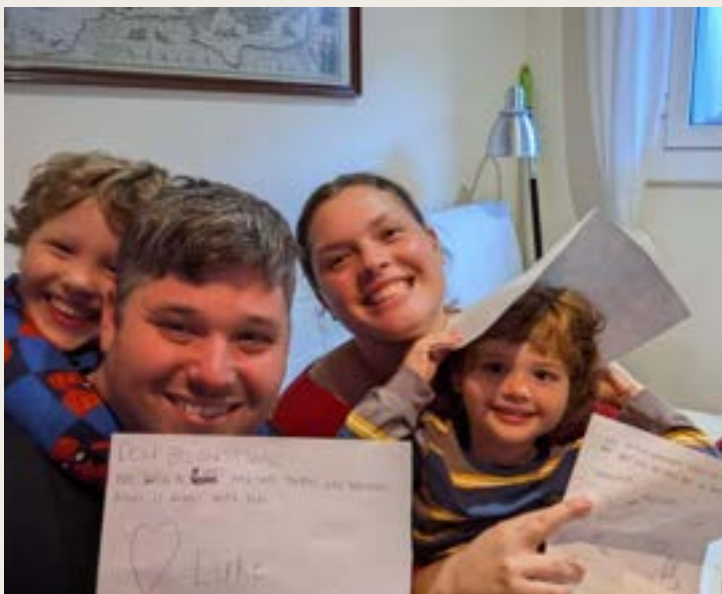

September Newsletter

This picture may not look like anything special to most of us, but it is encouraging to us. This month, Emily wrapped up her language studies, but not before making several contacts with other classmates. And as they studied Spanish together, Emily was able to witness to multiple classmates. She has already taught one of the young ladies from her class a Bible study this month, and has plans to connect her with a church in London. She also has plans to teach a Bible study to another young lady, and there are several more who are interested. Praise God!!

*"And let us not be weary
in well doing: for in due
season we shall reap, if
we faint not."*

Galatians 6:9

GW started school this month! He has been so excited to be in school and is already making new friends! This has been a blessing for us as well, as we have been able to connect with some of the other parents. We pray this will provide an open door for us to share the Gospel with them!

We also received some of the sweetest letters from the iKidz department at our home church, Greater Life. Thank you for thinking of us and always making us feel so special!

Prayer Points:

- Pray for the Bible studies that we have lined up, and that they would be open to the Word of God.
- Pray for the church in Spain and the leadership as we move forward in His will.

This month has been a month full of fellowship and strengthening relationships. We have been so blessed to spend time with the missionaries here in Barcelona, as well as Bro. & Sis. Schreckhise, who came to minister at LPBCN while they were in Spain. We were also excited to welcome one of our former youth students to Barcelona. Welcome to Team Spain, Chayden!
