

Pio's in French Polynesia

September 2025

It certainly has been a busy month, but we are so thankful for the response we have had from our supporters and new churches that have blessed and partnered with us and will be praying and helping us in our mission to reach French Polynesia. The Lord has been moving in the services, and we have seen several baptised. The work of the Lord continues both here and abroad. We are planning to go back for a few months this coming January.

Thanking all our Partners in Missions for their support and prayers. Contact us if you would like to partner with us or support us to get back this coming January. May the Lord bless you!

We closed up our trailer for the winter and began our deputation visiting numerous churches in Ontario and Quebec!

We were thrilled to baptize my two nieces and my sister in Jesus' name!

It was a privilege to be in so many churches during September! Thankful for the support shown to us throughout our travels. We were in eight different churches! Awesome to see the Lord touching and changing people's lives!

We had the honour of officiating at our eldest son, Christopher and Abira's wedding on Sept 20th!

Welcome to the family!

God bless them both.

We thank the Lord we were able to attend the 80th annual General Conference in St Louis! It was great to meet up with old and new friends!
