### **NEWS FLASH FROM AIM SENEGAL!**

I have been approved to stay in Senegal 3 more months!

---

---

---

Discipling continues after rebirth for rooting and grounding. Reaching and connecting also continues as prospects are found and taught Bible Studies. Opportunities for University presence is imminent. By faith, Home Bible study groups will be coming in the near future.

---

### **YOU CAN HELP AS SUPPORTERS**

**(Budget goal \$7,000)**

---

---

#### **HOW?**

1. PRAY for the needs I publish in my monthly newsletters.
2. Pray and ask God how much to give. Then, donate in one of the following ways before November 10, 2025. If you cannot give, pray for God's supernatural provision.

3. Share what God is doing in Senegal with family, friends, and neighbors and get them involved. Send me their email so they can keep abreast of the growth that is happening. Also, they can help us pray for breakthroughs and growth and see the results of God answering prayer!
4. If they want to donate, forward this email to them. Thank you!
