

Updates from Rwanda

Thank you for another month of faithful partnership in God's work here in Rwanda.

UPCR

This month, I continued supporting the United Pentecostal Church of Rwanda by teaching the Adult Sunday School Class. We completed the series on Holy Hearts, while taking time to reflect and commit to living a life of holiness.

DayStar

We wrapped up our summer development and welcomed students back to school. What a privilege to take part in the school's first chapel of the year.

Bible Studies

Our Bible studies are growing! Queen, a young lady who was baptized last year, has stepped up to support as a translator for other Bible studies. She brings curiosity and energy into this role.

Additional Highlights

- We're using the Firm Foundation Bible Study and God continues to do amazing things:
- Two new attendees have decided to be baptized

- One participant, who never went to school or learned to read, is now reading the Bible – what an amazing testimony of God's grace.

Additional Connections

- A group of scholars joined me for dinner, Bible study, and prayer. One scholar, David, just finished reading *The Secret Place* by William Siscoe and shared how much the book impacted his life. With great enthusiasm, he shared that he now has his own secret place with God.
- We spent a couple of days exploring the Twin Lakes, Burera, and Ruhondo. We took in God's amazing creation through boating, hiking, and simply being still. Throughout the trip, we enjoyed lively conversations about scripture, Rwanda, and values. One of our guides was overjoyed to learn that we believe Jesus is God and we baptize in His name. I'm thankful for these growing friendships and divine connections.
- I launched another session of Leadership courses with ISOMO scholars. We began by helping scholars determine their "why" and purpose. One-on-one mentoring also continues. I am excited to see their curiosity and growth.

Prayer Request

Please continue to partner with me in prayer for:

- Revelation of the Gospel and deep, personal relationships with Jesus Christ.
- Accelerated spiritual growth and multiplication across the nation.
- Wisdom, knowledge & understanding in the fear of the Lord for the government leaders and policymakers.
- Continued growth of new disciples who will, in turn, go and make disciples
