September started out at a slow pace, but it quickly changed. As my time in the Dominican Republic drew to a close the more I looked forward to Sundays there and cherish that time. There is nothing like worship with my brothers and sister in that Spanish speaking country. It was great to attend two additional churches that I have not been to before as well as returning to La Vega and El Refugio!

Homeschooling has been a large part of my time in the Dominican Republic. I am so thankful for my time with the Missionaries kiddos! What a wonderful treat to see more MK's at General Conference!

"Thank you!" to everyone for your prayers and support during my time in the Dominican Republic! God is moving and changing lives all over the Dominican Republic and I am so blessed that He allowed me to serve alongside the amazing missionary team and nationals there!
