

THE BUTLER FAMILY

THE POWER OF THE GOSPEL!

"And after he had seen the vision, immediately we endeavoured to go into Macedonia, assuredly gathering that the Lord had called us for to preach the gospel, and believe." (Acts 16:10 KJV)

BIBLE STUDIES!

We believe in asking God to order our steps, and let me tell you, He answers our prayers! The Lord has ordered our steps! We have witnessed God lead us to the hungry! He is working in Macedonia. Jonathan has met several contacts and he has a weekly online Bible study. He is recording the Bible Study and sending it to the ones that cannot make it right now because of long working hours. People are so hungry for the true Gospel message of Jesus Christ! What an honor to be a small part of His mighty Kingdom.

HEADED BACK TO BULGARIA.

On November the 8th, we will be traveling back to Sofia, Bulgaria for 90 days. Please keep our family in your prayers as we travel. We believe God is working in Bulgaria and we are believing a harvest is coming!! We want to thank you all for your prayers and giving! You are making an impact in the Kingdom of God!
