

NEWS FROM WESTERN FRANCE

Greetings in the wonderful name of Jesus!

The month of October has been a month of great blessings! We have continued our outreach efforts in Nantes and in the region of Pays de la Loire. We are currently having services every other week in Nantes and are making great connections with hungry people. Our daughter Sofia continues to teach Sunday School as well.

As we went to visit Alex and teach him a Bible study on the Holy Ghost, we noticed that God is continuing to do a work in his body. The machine that had been attached to his arm had finally been taken off because the doctor said he no longer needed it. This comes from someone who had been given two weeks to live when we first met him! We give God praise! Please continue to pray for his complete healing and salvation. God is connecting us to many people who are hungry for Him! We are clearly seeing the hand of God at work! Please continue to pray with us for more God orchestrated connections. Thank you for your prayers and financial support! We appreciate you!
