

# OCTOBER NEWSLETTER

**This will be my last newsletter for a few months. I will be heading back home November 5<sup>th</sup>, until February 27<sup>th</sup>. I'm looking forward to spending holidays with the family and also seeing my home church's renovations now that they're finished.**

**The Fallon family is leaving on the 3<sup>rd</sup> of November. Pray that they'll quickly get approved to start on deputation. I know they feel called to the Osaka region, and I'm expecting great things for them, and through them, in that region of Japan.**

**At Sound of Praise, we had a few powerful services and at least one confirmed holy ghost infilling as well.**

**We also had a Church Family Camp get together last weekend.**

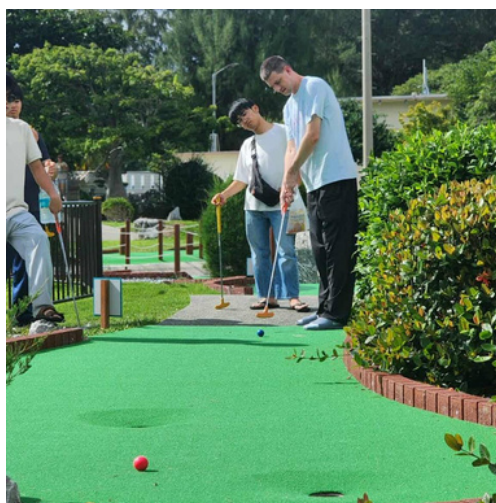

**During this camp, we had one service and Bro. Burmeister spoke to the church. I know it's a bit of a difficult environment to focus in, since we're at a beach and such. But he spoke a very good message, and afterwards one of my youth said he felt like God put a calling on his life to go to a certain region of Japan.**

**Of course this was exciting to hear, and pray that God will reconfirm that to him if it's truly his will, and that the youth member will take the steps necessary to be able to act upon that calling in the future.**

**Dorothy did have her baby a couple nights ago, so keep her and the baby in your prayers. Also, Daniel, Bro. Hosmer's son in law, had a car accident. He seems to not have any severe damage to himself, but he is very sore and his car was totaled. We thank God for protecting him, but pray for full healing of his body.**

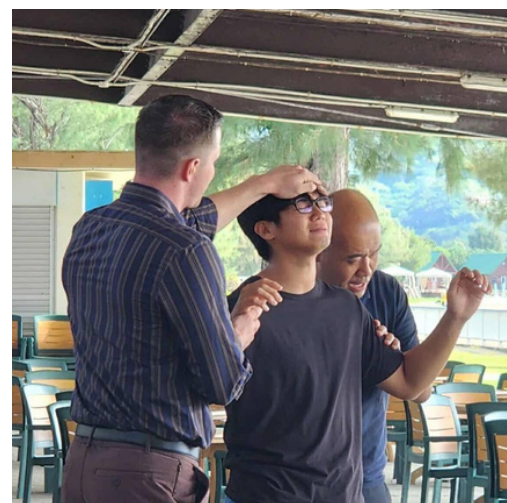

**Service at Church Family Camp. With beaches, water, and mountains, as a backdrop.**

**Mini Golf at camp.**
