

AIM Moldova Monthly Newsletter

OCTOBER 6TH-NOVEMBER 6TH

I have now been in Moldova for a month and since being here I've helped with the MK's, music, Sunday school, and anywhere helped was needed. Every Thursday there is English club which is a GREAT outreach tool!

Ladies EURO Conference

2 days after arriving in Moldova I hopped on another flight to Romania for the EURO Ladies Conference. Once I landed I checked into the hotel and helped set up for the conference!

PHOTOGRAPHY FOR THE CONFERENCE

After setting up for the woman's conference I was asked if I could do the photography for the entire event
And of course I said yes!

On Sunday's we sing in Romanian, Russian, and English!
After worship and prayer petitions the kids go upstairs for Sunday school meanwhile the parents stay downstairs for Bible study!
