Greece Kid's Camp 2025

In June 2025, ROK Global Children's Ministries partnered with the Morenos and the Pentecostals of Athens to lead a historic and momentous children's camp. This type of Apostolic outreach among children was groundbreaking.

For three days, we worked alongside the Morenos and their local team. They prepared the way with excellence and vision. The setting was thoughtful, the theme was engaging, and the children were fully prepared to receive. When it came time to minister, the Spirit of God was already present and the atmosphere was ready for a move of God.

By the conclusion of the camp, three children and one adult had received the gift of the Holy Ghost. This was a clear witness that the promise in Acts 2:39 still holds true: "For the promise is unto you, and to your children, and to all that are afar off."

Greece is often remembered for its ancient influence. Cities like Athens and Corinth are part of the biblical record. This trip confirmed that what began in those early days is still unfolding. We were reminded again that the Gospel is still the power of God unto salvation, and that the Word of God is alive in every culture and every generation.

We are thankful for the Morenos and their burden for this nation. We are also thankful to every church and individual who has prayed, given, and believed in the mission. We saw the fruit of that partnership, and we give God all the glory.

ROK Global remains committed to reaching children with the Gospel around the world. From here, we look ahead to our next missions assignments in the United Kingdom and Fiji. In the UK, we will be ministering at the UPCGBI General Conference in Llandudno, Wales, where we have been invited to lead children's ministry, conduct teacher training seminars, and speak during the Friday morning main service. Following the conference, we will continue with three weeks of children's revival services across Scotland and England. In Fiji, preparations are underway for their upcoming national children's camp. There is great anticipation and faith for what God will do among the children there. As we move forward, we continue to rely on the prayers of the church, the sharing of this vision, and the generosity of those who believe in reaching the next generation.
