The Jones Family in Croatia - October Aim Mission Update

It's hard to believe that we've already been in Croatia for a month! God has truly been faithful. We are thankful for our Supervising Missionaries Radovan and Tanya Hajduk, whose kindness and guidance have helped us feel at home and quickly find our place in the work here. The kids have started school and are adjusting well.

We were blessed to spend time with Bro. Monte and Sis. Dianne Showalter, veteran Missionaries. During their time in Croatia, they ministered and shared leadership training that greatly encouraged our family. While they were here a Bosnian man named Emil -a former Muslim- received the Holy Ghost, a powerful testimony of what God is doing in this pioneering field. Matt later followed up and began a Bible study with him. In addition to this, Matt, Rachel, and Rayleigh have each had opportunities to minister while in Croatia. We are also thankful for ongoing training- one day each week is dedicated to fasting, prayer, and ministry development. We are so grateful for everyone who prays for and supports this mission; your faithfulness helps us continue to build the Kingdom of God.
