MONTH #2

OCTOBER 2025

Greetings from the Uttermost,

The highlight of the month of October was being able to attend NZ General Conference with approximately 450 from across the nation! It was a blessing to join together, in the capital city of Wellington, for a full weekend of meetings, banquets, and services. Although I don't know the exact number, I do know that several were filled with the gift of the Holy Ghost, including at least one from ALC!

It was an honor to have Bro. Hunley (Global Missions Director of the UPCI) and the Bucklands (Regional Directors of the Pacific Region) minister at the conference. On Friday night, there was a ministers banquet and special recognition was given for the Bucklands, who will be retiring at the end of the year. We certainly appreciate their dedication, consistency, and investment in the Kingdom, especially in the Pacific Region.

During the Children's service on Sunday morning, the nation had its first mini Bible Quizzing Extravaganza! As this new ministry is being launched, we are excited about the children who are studying and memorizing Bible verses. It is being planned that the first big tournament will take place at next year's general conference!

Sunday evening was the 2025 Apostolic Bible College graduation where we celebrated 23 graduates. There was also a time of recognition and prayer for the newly licensed ministers. We are thankful for all of the teachers and students who are growing and investing in the Kingdom.

In addition to the wonderful experience and results of NZGC25, we are thankful for what the Lord is doing at ALC in Tauranga. The venue for our regular Wednesday night Bible studies was not available this month, so we had weekly home group meetings. One was hosted in the city of Tauranga, while another took place in Mata Mata (about a 45min drive). At our home group in Mata Mata, we had 12 guests attend throughout the month. We are looking forward to what God will do through continued Bible studies with this group.

The MKs have completed another month of school and only have about another month to finish before summer break begins.

As the Bible School year has been completed and graduation ceremony ended, now work begins on the new courses being added for the next school year.

I'm thankful for everything the Lord did in the month of October and am expecting greater things throughout November!
