

ALICIA & BAPTISTE IN PARIS

>>> BAPTISM

Dinah is originally from Namibia and came to Paris for a work term. During her time here, she felt God calling her back to her faith and stirring a desire to discover her purpose in Jesus. We recently celebrated her baptism and all that God is doing in her life!

>>> ALL NATION SUNDAY

We had an incredible All Nations Sunday! With 33 nations represented and a record-high attendance of over 210 people, it was truly a service to remember. The Spirit of God moved mightily as we had multi-lingual prayer and worship, and Pastor Mark Gadd delivered a powerful message. In faith, PCC pledged over €20,000 to missions. We believe that as God moves in Paris, His impact will overflow to every part of the world!

>>> FIRST PCC17 GUEST!

We continue to have wonderful services at our new campus in the 17th arrondissement! Recently, we were thrilled to welcome our first guest to Bible study. She is Lebanese-Egyptian and had been living in Toronto for the past several years. Now studying here in Paris, she shared that while reading her Bible, she felt God leading her to connect with a church. She has since begun Bible studies and has expressed her desire to be baptized!

>>> BACK TO CANADA!

We're thrilled to be heading back to Canada for a few weeks of ministry, rest, and reconnection. This trip will be a special time to minister in various churches, share what God is doing in Paris, and spend meaningful moments with family and friends.
