

# Updates from Rwanda

*I rejoice in the love of God and His redemptive plan to reconcile the world to Himself. What an honor to partner with God in preaching the Gospel and making disciples in Rwanda. Your faithful support makes this mission possible. Thank you from the depths of my heart.*

## UPCR

In October, I partnered with the UPCR Adult Sunday School class, focusing on the theme "Separated for a Purpose". It's an exciting time to invest in newer disciples as they grow in their relationship with Jesus.

## DayStar

Excitement is in the air at DayStar. Staff and students are fully engaged in leading worship, memorizing verses, and learning the word of God during Chapel. There's been a shift in the culture and atmosphere over time; we're enjoying liberty that comes from the presence of the Lord

Although a challenging month, as happens from time to time, staff were encouraged by a message of unity during their professional development. They also welcomed the time to collaborate and practice their English and Technology skills.

## Bible Studies

- God's presence swept in during our prayer time with Emmanuel and his family. There was an outpouring of the Holy Ghost as Emmanuel and Josephine cried out to God. Emmanuel was renewed in the spirit, and Josephine was physically healed.
- We rejoice with Queen, who recently received the Holy Ghost. She has been faithfully attending Bible Study and helping as a translator.
- A scholar, who attended a leadership class with me last year, requested an online meeting. During our conversation, he shared that he wanted to learn how to pray and grow closer to God, and he believed I could help him. He then confirmed that we could continue meeting for additional Bible studies

## Additional Highlights

- I attended a Beyond Success event with several scholars and emerging leaders. One of them shared that he now has a deeper appreciation for my use of scripture and for the verse memorization assignments from our leadership class.
- What an honor it is to weekly meet with emerging leaders who genuinely desire a deeper relationship with God. Here are some of their thoughtful comments and reflections:

*How can I receive the Holy Spirit? I'm experiencing peace. I've been praying every day. I now know God wants to be a part of my everyday life. I started giving thanks with my family and friends, and this has changed my perspective. Leading with values impacted my entire school. I'm glad the veil was rent; I couldn't afford a sacrifice. I rejected the Bible, but you've given me something to think about.*

## Prayer Request

**God is hearing and answering our prayers.** Please continue to partner with me in prayer for:

- Revelation of the Gospel and deep, personal relationships with Jesus Christ.
- Accelerated spiritual growth and multiplication across the nation.
- Wisdom, knowledge & understanding in the fear of the Lord for the government leaders and policymakers.
- Continued growth of new disciples who will, in turn, go and make disciples
