OCTOBER 2025

## Field notes

I am so grateful to be in Finland during the beautiful season of fall! This month has been filled with exciting growth and deeper friendships. I have been privileged to be able to attend the Build A Room Conference here in Finland where the Lord moved every single night in a deep way! Prayer walks have been happening on campus and friendships are leading to open doors and has even led to them coming to church! Pictured on the side is the prayer room located on campus where multiple students go to pray throughout the school day.

## Personal notes

As we continue to move forward in this season I find the knowledge of this wonderful truth to be more valuable every day. I am grateful for the continued support and prayers. Pictured on the side is the route that I walk everyday to attend classes this is the starting point of my prayer walks and the welcome end after a long day of studies.
