November marked our first full month in our new home here in Aberdeen after moving in on the evening of October 31st. We are grateful to finally be settled and able to focus more intentionally on the work God has called us to. This month, we connected with a young Apostolic woman from the church in Glasgow who is in her first year at the University of Aberdeen, and together we arranged times to gather in our home for church and fellowship. We have one meeting planned for December and look forward to meeting more consistently in January. Please continue to pray with us that God will open doors on the university campus and lead us to more students and young adults who are hungry for truth and community.

We were also blessed to celebrate Thanksgiving this year with a neighboring pastor's family—the Fyfes, who pastor in Elgin, Scotland—along with fellow AIMers, the Ganns, who assist in the same work, and a wonderful saint from the Elgin church who manages a castle in the Highlands. We were able to rent a car for two days and make the drive north to share Thanksgiving dinner in the castle. It was truly a feast for both body and soul, and we left feeling refreshed, encouraged, and grateful for the fellowship God has surrounded us with.

1Th 5:18 In every thing give thanks: for this is the will of God in Christ Jesus concerning you.
