Group From Kentucky

We were blessed to have the ministry of the group from Kentucky, led by Brother Dummitt. After arriving and spending some time in the capital, we traveled north to minister in the city of Tactic, Alta Verapaz. In preparation for the district conference, the group participated in prayer walks and street evangelism.

The team also ministered during the conference and in several neighboring services. We witnessed many powerful moves of God, with several people receiving the Holy Ghost and being baptized in Jesus' name.

Services and Events This Month

We were invited to minister at the District 2 Conference of the Alta Verapaz region. We arrived early Friday morning for planning and preparation. All the services were incredible, with powerful moves of the Holy Ghost. Several were baptized in Jesus' name, and others were filled or refilled with the Holy Ghost.

During the last week of the month, we evangelized in the region of San Marcos, conducting street evangelism and preaching in multiple cities. This included Tajumulco, which is not only the highest point in Guatemala but in all of Central America. The city sits high above the clouds at 12,000 feet. After driving one hour, we arrived in Malacatán, which is 8,000 feet lower in altitude.

A farewell to Guatemala

Now, having lived and served in Guatemala for 12 months, our term has come to an end. It has been one of the greatest pleasures of our lives to work not only with the mission team but also with every minister in Guatemala. We give special thanks to our leaders and missionaries, Luke and Samantha Campbell.

We were blessed to be able to fill multiple bags with items from Guatemala for our current and future supporters. If you are reading this, get ready for what we have prepared for you!
