Off and Running in Uruguay!

November 2025

Time has flown by since I arrived in late October, but what a great start to my time in Uruguay it has been! My first month here has been a time of settling into life in Montevideo, strengthening relationships within the local churches, and formulating plans for ministry.

Though it's been a period of adjustment, that hasn't stopped the Lord from moving. In this first month we've seen multiple receive the baptism of the Holy Spirit, new preaching points opened in unreached communities, and even a miracle of divine healing! I'm excited to keep sharing all that the Lord is doing here in Uruguay!

What's happening in Uruguay this month?

Ladie's Conference

A powerful time of worship where 4 received the baptism of the Holy Spirit!

Bible School Graduation

We are grateful for the hard work and dedication of Bible Institute graduates Daniel and Oscar.

New Preaching Point

In the "Cerro" neighborhood of Montevideo, a family has opened their home as a biweekly preaching point.

San Jose de Mayo

The missionary team has been making frequent trips to San Jose to hold services and have fellowship.
