

Testimonies

Two weeks ago, we were invited to visit a Tahitian family where a young woman had been suffering from an issue of blood since age 11, along with severe stomach pain. After prayer, Jesus took the pain away, and the bleeding stopped the following day. This opened the door for a new Bible Study with the family.

In the same home, a young girl was struggling with a severe headache and couldn't sleep. We prayed, and within moments she was fell asleep and was snoring. Jesus loves children!

The family also had an urgent need for a car. After prayer, God moved on someone's heart, and within 2 days they were offered money to purchase a car!

Lastly, the husband of the woman with the issue of blood had been without work. We prayed, and God opened a door. On Monday, November 24th, he began a new job!

The Work

New Bible study

We are excited to begin a new weekly Bible study: it will be our 7th! People are truly hungry for the Word of God, and this will be our very first Bible study with a Tahitian family. We are looking forward to what God will do!

Wonderful Surprise

This week, we were blessed by the visit of Brother and Sister Hunley here in Tahiti. Spending time with them was such a blessing. Their company brought so much joy and refreshing. They were able to visit the place the Lord has provided for Sunday services, and met with the owner.

A Heartfelt Send-Off

We prayed for a beloved member who will be away for over a year, trusting God to protect her until we reunite in French Polynesia.
