

# NEWS FROM WESTERN FRANCE

## GREETINGS IN THE WONDERFUL NAME OF JESUS!

The month of November has been exciting! We had the joy of attending the French National Youth Convention at the beginning of the month. God moved in a mighty way, and His presence was mightily felt. On our way back home, we had the privilege of driving through Paris and visiting the Eiffel Tower. Our kids thoroughly enjoyed it!

We have seen the hand of God through the people God placed in our path. During the month of June, some of our neighbors knocked on the door to our house because they were needing help with a hedgehog who was stuck in a fence. As a result of our helping them, we began a friendship with them. Their actual residence is in Angers (another key city in Western France). This month, we were able to meet with them in Angers, spend time with them, and share more of the Gospel. Lord willing, we will have our first service with them in Angers on December 14th.

We also had the privilege of meeting with another family in the city of Commequiers. We were able to teach them a home Bible Study. They are truly hungry for the Gospel. Our next Bible study with them will be about water baptism in Jesus' name! We are continuing to evangelize the region, including Nantes, where we are having services every other week. We know God is working in the hearts of men and women of Western France. We are excited for what is yet to come!
