December 2025

Sleighing our way through December.

Hello! Tere! Привет! Welcome back to our family, friends, and new readers of our Reaching Estonia Newsletter! We hope you have been enjoying this holiday season just as much as us.

In Tallinn on December 7th, the church had their Christmas Candlelight Service. We gathered together to celebrate the greatest gift ever given, Jesus. There was a wonderful move of the spirit and Pastor Nate Turner preached a wonderful message on "The Fulness of Time". After service, there was time for food and fellowship and it was a blessed time.

While we were there, we joined the Turners, Moseses, and other church members as we went and visited the elderly people who are not able to make it to the church building. We sang carols, fellowshiped, and ate food together as we celebrate the holidays.

In Tartu on December 13th, we had a Christmas Party with our youth group. Jesse taught a meaningful message of Jesus's birth. The youth enjoyed every minute from the message, to food, to the games.

We have stayed disciplined in our Midweek Tartu Bible Studies and finished the book of Acts. It was a great reminder of how the first church began and the teachings of salvation.

Our Estonian class has wrapped up like a beautiful present for the year. We are incredibly proud of the progress we've made and thankful for how far the Lord has brought us in learning the language.

From December 19th through the remainder of the month, we were based in Tallinn while Bro. and Sis. Turner were away visiting their son in America for Christmas. We ensured that everything continued to run as usual while they were away.

During this time, we were able to spend time with the youth group in Tallinn, and it was so much fun.

Thank you for taking the time to read our final newsletter of 2025. We hope each of you had a Merry Christmas! And have a Happy New Year!
