DOBRY DEN! (HELLO, GOOD DAY)

In the month of October we enjoyed fellowship with our friends from our group in Bratislava. We were able to travel to a pumpkin patch with many games and pumpkin picking for the family. Deacon especially enjoyed picking his own pumpkin to take home!

This month we continued hosting our church family in our home for Sunday evening and Saturday morning church and fellowship. We were happy to have **2 new visitors** attending this month (plus visitors from America).

During the week, we also continued Ladies Bible study and Mens' fellowship hosted at one of our church family's homes.

This month we visited the church in Vienna, Austria (approx. 45 mins away) for one Sunday to meet Slovak friends attending there and enjoy extra fellowship!

Deacon enjoyed joining in their Sunday School class, meeting new friends, and learning a few new German words.

This month we were so happy to have visitors- Mom and Dad!
(Grammy & Poppy to Deacon)

They also invited a friend from the USA to visit and join in on our home groups.

We are so blessed and thankful for our family who supports us so very much!

This month we toured a wonderful potential building for our church group in Bratislava. This space was large with a sanctuary space, 1 sunday school classroom, and a fellowship area. Currently, we are meeting in our apartment and quickly running out of space to host everyone!

We are approximately \$50,000 from meeting our goal and purchasing this space for the church group in Bratislava.

If you are interested in giving toward this mission, please message us and we can give you more information!
