

## The Jones Family in Croatia -

November - Aim Mission Update

This month has been full of meaningful moments. We are continuing to build relationships and lay foundations for ministry in Croatia alongside our Supervising Missionaries, Radovan and Tanya Hajduk.

Rachel had the privilege of attending the Euroladies Conference in Bucharest, Romania. This was such a gift to be able to worship and fellowship with the ladies in the European Region.

A special highlight was Rayleigh preaching her first sermon. At just sixteen, she spoke with boldness and anointing, and hearing her message interpreted into Croatian was powerful. We are grateful to see God using her in such a beautiful way.

As a family, we have stayed busy teaching Bible studies: Matt, Rachel, and Rayleigh each sharing the Word as God opens doors.. Much of this pioneering season is focused on meeting people, building friendships, and creating the connections that lead to teaching truth. We also experienced All Saints' Day here for the first time. Seeing families honor their departed loved ones helped us gain a deeper understanding and appreciation for the Croatian Culture.. We appreciate your prayers and support as we continue planting seeds and watching God work in Croatia
